1. What does it mean to be Pure, and why does culture frown upon it so much?
2. Have you ever let anything change who you are? For good, or for bad? If you feel comfortable, name some examples.
3. Purity isn't restricted to your sexuality, but in reality, effects your ENTIRE life. What are some ways that we can practice being pure in Christ, everyday?
4. What are some of the characteristics of the person you want to become? Name a few good ones, and maybe some things that would help someone get there.
